REQUEST FOR RECONSIDERATION

In response to the final rejection of January 23, 1996,
applicant wishes to make the following

R E M A R K S:

The amendment of October 23, 1995, had appended thereto a declaration antedating the Examiner's two principal references. The final rejection did not drop those references nor did it find any fault with the declaration. It simply was not even mentioned.

Accordingly, before applicant can address the final rejection he needs to know the Examiner's decision re the declaration.

Under the circumstances a new paper should be issued with a new date for response.

Respectfully submitted,
